After deliberations, the Committee approved the same in terms of the provisions contained in Instruction No.50 dated 15.3.2010 issued by Department of Commerce subject to the condition that no duty free material shall be allowed for setting up and operating this facility.

5.8 Request of M/s. SFP Sons (India) Pvt. Ltd., for Trading activity under Broad Banding :

M/s. SFP Sons (India) Pvt. Ltd., have requested for trading permission under broad banding for the following items :

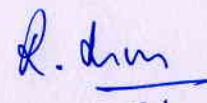

1. Air Freshners
2. Deos
3. Perfumes
4. Cosmetics

The Committee examined the request and after detailed deliberations approved the request of broad banding to trade in the aforementioned items subject to the condition that the unit shall not carry out any trading activity in the DTA in respect of these items. With regard to request of the unit to trade in DTA, the unit's representatives were asked to submit a detailed write up on the proposed business model for the consideration of the Committee.

5.9 Request of M/s. Igarashi Motors India Ltd., to send imported Steel Coil abroad for trial purpose :

Request of M/s. Igarashi Motors India Ltd., is to send Cold Rolled Steel Sheets of 1.00 mm x 100 mm coil to Japan for the purpose of checking the effectiveness of the tool they propose to purchase from Japan. The cold rolled steel sheets weighing 1,46,641 Kgs is valued at USD 1,27,731.21. These were originally imported from Singapore by availing duty exemption.

The representative of the unit submitted that the cold rolled steel sheets are being sent to Japan for trial purpose and the left over steel sheets after completion of the trial will be brought back to India. He also stated that such permissions have been previously given by MEPZ-SEZ for exporting raw materials abroad for the purpose of testing.

The Committee examined the proposal in detail. After deliberations, the Committee approved the proposal of the unit to export 1,46,641 Kgs of cold rolled steel sheets to Japan for the purpose of testing the tool to be procured from Japan subject to the following conditions :

- a) The unit shall give an undertaking that the left over raw materials after the completion of trial shall be brought back to India;
- b) Proof of precedence for having sent raw materials for testing purposes with the approval of MEPZ to be submitted;

5.10 Request of M/s. Vastrakala Exports Pvt. Ltd., for permission for conversion of their DTA unit into a 100% EOU :

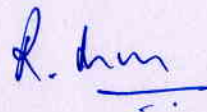

The request of M/s. Vastrakala Exports Pvt.Ltd. a DTA unit engaged in Job Work involving embroidery for fashion clothing and accessories and luxury interior furnishings and hand embroidered products, for conversion of their DTA unit into EOU was examined by the Unit Approval Committee. The Unit has projected an export value of ₹ 10,999.10 lakh and NfE of ₹10,687.81 lakh for five years with a projected employment of 500 people.

The Committee noted that though the proposed investment in plant and machinery by the unit is only ₹.15 lakh, as per Para 6.06 of FTP 2015-20, the minimum investment criteria of ₹.1 crore in plant and machinery will not be applicable to existing units and therefore, as M/s. Vastrakala Exports Pvt. Ltd., is an existing DTA unit, the minimum investment criteria will not be applicable to them.

After deliberations, the Committee approved the proposal for conversion of the DTA unit into 100% EOU in terms of Para 6.01 (b)(i) of HBP and Para 6.19(a) of FTP 2015-20 read with Para 6.14(b)(ii) of FTP 2015-20 subject to the condition that no DTA clearance shall be allowed in respect of job work to be done by the unit for foreign supplier.

M/s. Infosys Limited, Co-Developer have submitted for approval of UAC, a list of materials for an estimated value of ₹ 522.33 lakh (Import - 60.88 Lakh and Indigenous procurement is ₹ 461.45 lakh with the duty foregone value of ₹ 98.16 lakh) for their authorised operations in the SEZ viz., Education & Training Centre, Facility Blocks, Employee Care Centre, Food Courts, Landscaping, Multi-level vehicle parking. The request was examined by the Approval Committee. After deliberations, the Committee approved the procurement of the materials in terms of the provisions contained in Rule 12(2) of SEZ Rules, 2006.

5.16 Request from M/s.Estancia IT Park Pvt. Ltd., Developer for procurement of materials:-

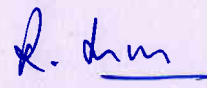

M/s.Estancia IT Park Pvt. Ltd., Developer have submitted for approval of UAC, a list of materials for an estimated value of ₹ 2884.53 lakh (Import : ₹.182.55 lakh and Indigenous procurement : ₹ 2701.98 lakh with the duty foregone value of ₹ 593.55 lakh) for their authorised operations in the SEZ viz., Power (including power back up facilities) for captive use only, construction of all type of building in processing area, water treatment plant, water supply lines (dedicated lines up to source), sewage lines, storm water drains and water channels of appropriate capacity, common data centre with inter-connectivity, air-conditioning of process area - HVAC, Access Control and monitoring system, fire protection system with sprinklers, fire and smoke detectors, telecom and other communication facilities including internet connectivity which is covered under authorised operations under Instruction 50 issued by Ministry of Commerce and Industry, New Delhi. The request was examined by the Approval Committee. After deliberations, the Committee approved the procurement of the materials in terms of the provisions contained in Rule 12(2) of SEZ Rules, 2006.

5.17 Request from M/s. Syrma Technology Pvt.Ltd., for Broad banding permission :

M/s. Syrma Technology Pvt.Ltd., a unit in MEPZ-SEZ has requested for broad banding permission to include Repair, Reconditioning and Re-Engineering of all types of populated printed circuit board assemblies and electronic products as a part of their authorised operations. The unit intends to carry out the work for the products of their own brand as well as for other brands. Further, the unit also intends to carry out the activities of Repair, Reconditioning and Re-Engineering of all types of populated printed circuit board assemblies and electric products for both DTA as well as foreign customers.

The Committee examined the proposal in detail. After deliberations, the Committee approved the proposal for broad banding of authorised operations of the unit to include Repair, Reconditioning and Re-Engineering of all types of populated printed circuit board assemblies and electronic products under proviso to Rule 18(4) of SEZ Rules 2006 subject to the following conditions :

- a) The broad banding activity is allowed only for foreign clients wherein the tools to be repaired/reconditioned/re-engineered shall be imported into the unit and shall be exported after completion of the repair/re-conditioning/re-engineering. Such exports shall have one to one correlation with imports and all the re-conditioned/repaired/re-engineered products and scrap or

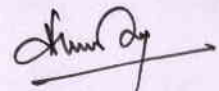

remnants or wastes shall be exported and none of these goods shall be allowed to be sold in DTA or destroyed.

b) The activity of repair/re-conditioning/re-engineering shall not be allowed for goods of other brands to be brought from DTA. However, the repair of goods supplied by the unit to the DTA on payment of duty (goods of its own brand as an after-sale service) shall be governed by Rule 49(2) of SEZ Rules 2006.
