Dear Sir,

Sub: Request for approval of the list of goods / material required for Authorized Operation for our SEZ units.

Ref:- LOA details in Annexure I

We operate 8 SEZ units in Chennai with a total of 50000 employees working from those units.

We have been procuring stationery items and housekeeping materials (as per annexure II) from DTA suppliers under zero rated supply to SEZ unit for Authorized operation under bond or letter of undertaking without payment of integrated tax (IGST). Consumable items viz stationery and housekeeping etc., are required for operational support and upkeep of the facilities located in SEZs and these consumables are in relation to authorized operations of our units. We are not getting the DTA endorsement from a few Authorised Officers.

Annexure III provides additional information related to the list of goods/material required annually for authorized operation for our SEZ units attached.

We would also like to confirm that we have not availed IGST exemption towards procurement of items under personal consumption in nature and Annexure IV provides the list of items for your reference

In view of the above, we request your good office to kindly consider the above and grant us approval to continue procuring stationery and housekeeping items (as per annexure II) under zero rated supply to SEZ unit for authorized operation under bond or letter of under approval without payment of integrated tax (IGST).

Thanking You,

Yours sincerely,  
For TATA Consultancy Services Ltd.,

While we declare that our Unit in NDR FTWZ has not received any Notice from the DRI till date as we do not indulge in any unwanted business or violate the SEZ Rule provisions in our day-to-day EXIM activities.

However, to the best of our knowledge, two of our customers for whom we have handled few consignments have received SCNs from DRI under a copy to us, as given below, for the reasons mentioned against their names: -

The above parties, on receipt of SCNs have appeared in person before DRI, provided their submissions. We are given to understand that both the Importers had agreed to the re-determined value ascertained by DRI and to pay the demanded duty amount. It may be noted that we are not at all party to it.

As the above said customers' business intensions are not in good sprit, we have decided to discontinue our business with them in future to safe guard our reputation.

### Reasons for the new Unit proposal in the ICBP FTWZ: -

1. Presently, we are operating from NDR FTWZ, Ponneri.
2. The existing business of our Unit in the NDR FTWZ will continue with the existing customers;
3. We wanted to have our presence in the ICBP FTWZ so as to cater the requirements of our prospective high-end customers who prefers to keep their goods in a Warehouse of International Standards.
4. Accordingly, we have submitted the application for a new Unit in ICBP FTWZ which is under your consideration. The infrastructure facilities in the ICBP FTWZ, will help us to cover the requirements of MNC customers. As of now, we are negotiating business arrangements with the specific customers who preferred our presence in the ICBP FTWZ.
